

Five year achievements of KVK Lohit District

Under NRC on Yak, (ICAR), Dirang, Arunachal Pradesh - 790 101

(2007-2012)

Message

It's my great pleasure to know that Krishi Vigyan Kendra, Lohit is publishing it's 1st "Five year achievement.

The documents includes all the mandated activities of the Krishi Vigyan Kendra conducted during the last five year (2007-2012). I hope the document would be ready-reckoner for need-based technologies in agriculture and livestock-activities, which would be very useful to farmers, small enterpreurs all the stakeholders for policy decision and extension personal.

I appreciate the efforts of programme Co-ordinator and whole team of KVK, Lohit for their sincere effort in documenting the activities in the form of "Five year achievement of KVK Lohit" and wish them to continue the same in future.

I am delighted to express my views that KVK lohit is planning to publish five year achievements (2007-2012). The significant achievements and important activities of the KVK Lohit during last five year are briefly brought out in this report under the heads; Transfer of new technology, research, training, extension, linkage and collaborations, news highlights in local news paper, leaflets & other publication etc. The efforts of all the SMS and other staffs of KVK are noteworthy in this endeavor. I hope this documents helps to technical and extension support to farmers, extension functionaries and entrepreneurs of Lohit District with a new life and orientation.

(P.K. Mallick)

Programme Coordinator
KVK, Lohit, NRC on Yak, Arunachal Pradesh

It's great pleasure to know that Krishi Vigyan Kendra, Lohit District under NRC on Yak (ICAR) is going to publish their "Five year Achievements of KVK Lohit (2007-2012)". I hope that the information of the Five year activities of KVK in

respect of agriculture and allied sector will definitely serve the farming communities, extension functionaries, entrepreneurs and stakeholder of Lohit district. I hope this document will prove to be useful reference material to the farmers and other extension functionaries of Lohit district.

I would like to congratulate to the Programme Coordinator and his whole team of KVK, Lohit for their sincere efforts towards compling the five year activities as a useful document of KVK and wish them to great success in future.
