Farmers training prog

ITANAGAR, May 21: Krishi Vigyan Kendra (KVK), Lohit conducted two training programmes on “Integrated Pest Management of maize” and “Integrated Disease Management of rice” for the farmers of Barbeel and Solungtoo village on May

15 and 16 respectively.

The subject matter specialist on Plant Protection thoroughly discussed about the concept of IPM and IDM, its importance for increasing production and sustainable development. Discussions were also held

on types of pests and diseases, their control measures. The details of IPM and IDM in maize and rice were explained to the farmers. A total of 55 farmers, 33 in Barbeel and 32 in Solungtoo, attended the training programmes.
