Training on disease management in vegetable crops

ITANAGAR, Feb 26: Lohit District Krishi Vigyan Kendra (KVK) has organized a training programme on "Disease Management in vegetable crops" for the farmers of Pangkhao village today.

Madhumita Sonowal Bora, Subject Matter Specialist (Plant Protection), KVK Lohit district trained the farmers about various methods of disease management including traditional, mechanical, chemical in vegetable crops. Practical session on seed treatment and seedling treatment was also conducted for the benefit of the farmers. Various problems faced by farmers in various crops were discussed during the training.

Twenty-eight participants including Gaon Burah were present in the training programme which was conducted under the supervision of Dr. P K Mallick, Programme coordinator of the KVK. The programme was sponsored by NABARD, Itanagar.
