ATMA-KVK training for farmers

ITANAGAR, Jul 24: A district level training for farmers was conducted by Agriculture Technology Management Agency (ATMA), Lohit in collaboration with Krishi Vigyan Kendra (KVK), Lohit District at Menkeng Miri village yesterday.

Scientific cultivation of rice, banana, coconut and lemon etc along with their

weed, insect and disease management practices were thoroughly explained by the subject matter specialists before the farmers.

The veterinary officer of Mahadevpur discussed the scientific management of local pigs, methods of housing and feeding and vaccination management of local pig, care of pregnant pig.

The farmers were en-

couraged to take up the integrated rice cum fish culture practise for economic benefit.

Various queries on rice, coconut, gourds, vegetables, citrus, mustard, potato, cattle, fishery etc. cultivation, their management for better production were answered by the resource persons during interaction program.
