KVK training

ITANAGAR, Jul 08: Krishi Vigyan Kendra (KVK), Lohit (Momong), conducted a series of training to educate the farmers about scientific cultivation of rice to increase productivity in different villages of Lohit district.

Integrated Nutrient Management (INM) of rice and integrated weed management practices of rice were explained to the farmers by the subject matter specialist during the training conducted under the supervision KVK program coordinator Dr. PK Mallick.

A total of 122 farmers from Namliang, Salungtoo, Padumoni and Juna IV village attended the training.

Discussion on different problems faced by the farmers and their control measures were also held.
