Awareness cum training for fish farmers

ITANAGAR, May 7: Krishi Vigyan Kendra, Lohit (Namsai district) in collaboration with Department of Fisheries, Namsai district conducted three days programme on soil and water testing along with awareness cum training at three different villages- Khowji, Kumari Khampti and Lekang Guhain Gaon from May 5 to 7. A total of 81 fish farmers attended the programme along with their samples for testing.

Speaking on the occasion, resource persons Dr. D. Sasmal, PC I/C, KVK and H.C.Nath, ADF I/C, Dept. of Fisheries solved the major problems related to low productivity and management of fish pond.

During the awareness and training programmes, Dr. D. Sasmal described the remedial measures of pre-stocking management of fish pond and H.C Nath made the farmers aware on the need of post stocking management to increase the yield.
